

## 26.02. mSupply Support Web Portal

We all like it when things run smoothly but every so often things go wrong. The mSupply Support Portal is where you go to get technical support for mSupply.

### Log a one-off support ticket

To log a support ticket with our support team, go to <https://support.msupply.org.nz/> and enter the details of the issue and click the “send message” button.

The screenshot shows the mSupply Support Web Portal contact form. At the top left is the mSupply logo with a cartoon character. Below it are 'contact us' and 'sign in' buttons. The form fields include: 'Contact Us:' with a sub-label 'What email address should we reply to?' and a text input field containing 'someone@somewhere.org'; 'Subject:' with a text input field containing 'Solomon Islands - trouble logging in to mSupply'; 'Message:' with a large text area containing 'Hi I am getting an error message when I try to log in. Can you please assist'; 'Attachments:' with a 'Choose Files' button and a file named 'Mob2\_001.jpg'; and a CAPTCHA section with the text 'Please type the characters from the image below:' and a text input field containing 'H8MQ' below an image of the characters 'H8MQ'. At the bottom left, it says 'Logged IP: 178.18.83.140' and has 'Send Message' and 'Discard' buttons. At the bottom right, it says 'powered by Cerb' with a Cerb logo.
