Adding a new patient

Choose **Patient > New Patient**, or click the *New Patient* button on the navigator. This will show the following window:

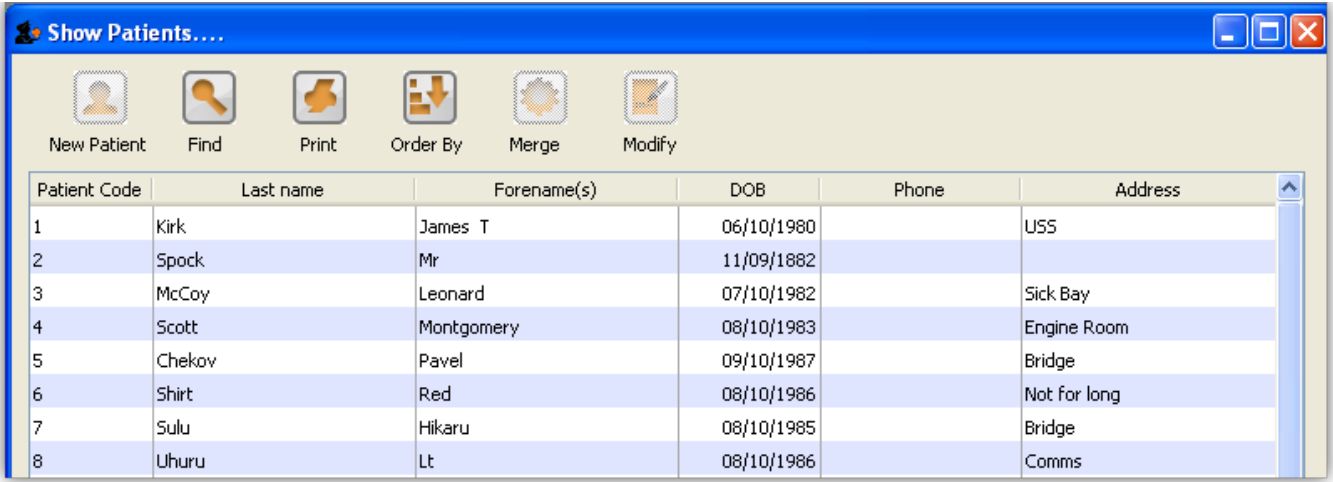

The screenshot shows a software window titled "New/Edit Patient Info...". At the top, there is a "Patient code" field with the value "2", a "Store" dropdown menu set to "Hospital Info System", and a "Registration Date" field with the value "22/11/12". Below this is a tabbed interface with tabs for "General", "Contact details", "Encounter", "Disease history", "Log", and "Store". The "General" tab is selected and contains several input fields: "Title" (dropdown menu with "Mr" selected), "First Name", "Middle Name", "Last Name", "Gender" (radio buttons for "Female" and "Male", with "Male" selected), "Marital Status" (dropdown menu with "Single" selected), "Blood Group" (dropdown menu), "DOB" (text field with "05/03/00") and "Age" (text field), "Occupation" (dropdown menu with "None" selected), "Religion" (dropdown menu with "None" selected), "Ethnicity" (dropdown menu with "None" selected), and "National Health Number". To the right of these fields is a "Next of Kin" section with fields for "Name", "Patient Code", "Relation" (dropdown menu), "Phone", and "Email". Further right is a "Patient Picture" section with a large empty rectangular area and "Add" and "Remove" buttons below it. At the bottom of the window are three buttons: "OK & Next", "Cancel", and "OK".

Most of the fields are self-explanatory..

- First & last name (mandatory)
- Next of Kin
 - Here you can link a patient to another existing patient.
 - Type the last name then a comma, then the first name (or part thereof), and press tab. A list of matching names will be shown. Double-click on a name to select that person.
- Patient Picture
 - You can add a patient picture by clicking the *Add* button.
- Address and other contact details can be entered on the *Contact details* tab.

Showing and modifying patients

Choose **Patient > Show Patients** , or click the *Show Patients* button on the navigator.

The screenshot shows a window titled "Show Patients...." with a toolbar containing icons for "New Patient", "Find", "Print", "Order By", "Merge", and "Modify". Below the toolbar is a table with the following data:
