4.01.08. Items - Backorders tab

Back to Item Details window

You can view the backorders for an item here. To edit a backorder, double-click the line you wish to edit.

To add a new backorder for this item, click the **New backorder** button. This window will be shown:

- Enter part of the customer name, then press **Tab** to search for the customer.
- Enter the order date, quantity and any comment, then click **OK** to save the new backorder entry.

To delete a backorder, select the line you wish to delete by clicking on it, then click the **Delete backorder(s)** button. You can also select several at once (using *ctrl/cmd+click* and *shift+click*) or all the backorders in the list using *ctrl/cmd+a* and delete them at once.

The total stock on backorder is shown below the list.
