

## Entering a new Logo

Select *File>Preferences*. On the left hand side choose *Logo*.

If you want this logo to be printed on invoices then tick the box.

Copy your image onto your clipboard (control+c) and paste into the area provided (control+v). Be careful to use an image of the aspect ratio 16:10 (16 wide to 10 high) as mSupply will stretch the image to fill the available area.
