13.05. Stocktake reports

Choose Report > Stocktakes... from the menu. The report options window opens:

- **From** and **To** dates: Enter the range of dates of stocktake to include in the report. This range will be compared to the *Stocktake date* of a stocktake, not its *created date*. Enter the dates manually, by clicking on the calendar icons or selecting something from the quick range chooser drop down list on the right.
- **Include stocktakes with suggested (sg) status**: If this is checked then lines from stocktakes with suggested status will be included in the report.
- **Include stocktakes with Finalised (fn) status**: If this is checked then lines from stocktakes with finalised status will be included in the report.

When you have entered your various choices, click on the **OK** button to run the report. The report will be created and automatically opened in you spreadsheet application. It looks like this:

Stocktake reports enable you to report over multiple stocktakes. If you want detail from a single stocktake, there are several options within
