

18.04. mSupply customer web interface: guide for customers

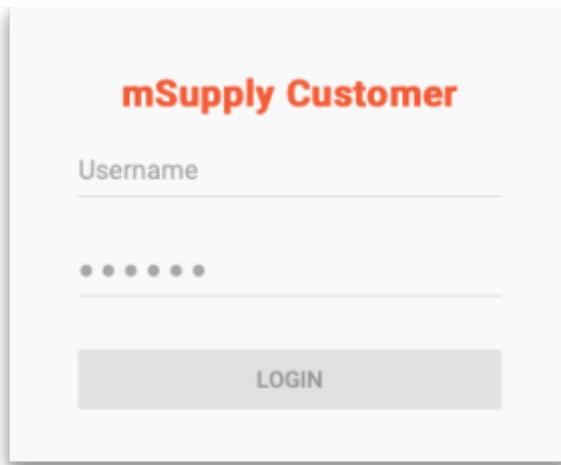

The first section of this page covers the use of the interface itself by the customer. There is a small [Back at the supplying store...](#) section at the end which describes what happens in mSupply in response to the orders sent by the customer.

Logging in

You will be given an website address for the customer interface. e.g.

<http://example.com:8080/customer/>. Go to that address using an internet browser running on a smartphone, laptop, tablet or desktop computer etc.

When it has loaded (the time this takes will depend on the speed of your internet connection), you will be shown the login page:

Enter your username and password and click **Login**

The navigator

You are now shown the mSupply customer navigator screen:

The screenshot shows a web-based interface for managing orders. At the top left is a 'LOGOUT' link. The top center displays the welcome message 'Welcome afmc (Ames Free Medical Clinic)'. Below this are four orange rectangular buttons arranged horizontally: 'Show Orders', 'Create Order', 'Search Items', and 'Show Invoices'. The background is white with a light gray header bar.

Here we are logged in as user "afms" who works for the customer "Ames Free Medical Clinic".

The "Ames Free Medical Clinic" is set to use the store "General Warehouse" as their supplying store.

Click on:

- [Show Orders](#) to view a list of orders that have been created but not yet completed.
- [Create Order](#) to create a new order for stock from the supplying store.
- [Search Items](#) to search a list of items available in the supplying store.
- [Show Invoices](#) to search for and view a list of invoices from the supplying store.

Show orders

Select **Show Orders** to display a list of orders that have been created.

The screenshot shows a table titled "Show Orders". At the top left is a "HOME" link with a back arrow. At the top right are "DELETE" and "VIEW/EDIT" buttons. The table has columns: NAME, ORDER NUMBER, STATUS, ENTERED DATE, and AMOUNT (APPROX.). There are three rows of data, each representing an order from "Alpha Clinic".

NAME	ORDER NUMBER	STATUS	ENTERED DATE	AMOUNT (APPROX.)
Alpha Clinic	32	wp	2019-06-10	0
Alpha Clinic	31	wf	2019-06-06	0
Alpha Clinic	28	wf	2019-06-06	0

To view or edit an existing order, click on the order in the table to highlight it, then click on the **View/Edit** button (top right)

To delete an existing order, click on the order in the table to highlight it, then click on the **Delete** button (top right)

Status wp indicates web interface orders that have been created and are still in progress (not yet finalised). These can be edited/deleted.

Status wf indicates web interface orders that have been finalised by the customer. These can be

viewed, but not edited or deleted.

Click on **HOME** (top left) to return to the main options screen.

Create orders

Click on **Create Order** to display the screen for entering an order:

The screenshot shows a web-based application for creating an order. At the top, there are buttons for 'HOME', 'Order Details' (which is highlighted in red), 'FINALISE', and 'SAVE CHANGES'. On the left, there is a sidebar with fields for 'Invoice number: 0', 'Entry date:', 'Entered by:', 'Status:', and 'Store:'. The main area is titled 'Order Details' and contains fields for 'Our ref:' and 'Comment:', both with empty text input fields. At the bottom of this area are four buttons: 'ADD LINE' (orange), 'DELETE LINE' (grey), 'ADD LINES FROM ORDER LIST' (orange), and 'UPDATE QUANTITY' (grey). The entire interface has a clean, modern design with a white background and light grey borders for the input fields.

To add an item to the order, click the **Add line** button.

In the pop-up window clicking the **Item name** field will open a drop down list to select from

The screenshot shows a pop-up window titled 'Add item'. It has a single input field labeled 'Item name' with a placeholder text 'Search...'. Below the input field is a list of items, each with a small preview image and a text label. The items are: 'Acetylsalicylic Acid 100mg tabs (1300)', 'Acetylsalicylic Acid 300mg tabs (5000)', 'Amoxicillin 250mg tabs (2257600)', 'Amoxicillin Dry Powder for Suspension 125mg/5ml Bot/100ml (420)', 'Artesunate Injection Ampoule/60 mg (5700)', and 'Bandage W.O.W. 15cm wide x 5m roll (4332)'. The list is scrollable, indicated by a vertical scrollbar on the right side of the window. The overall design is consistent with the main application's style.

Enter the quantity and click **Add to order** to proceed

Add item

Item name
Acetylsalicylic Acid 100mg tabs (1300)

Quantity

CANCEL **ADD TO ORDER**

Repeat this to add further items to your order.

← HOME **Order Details** **FINALISE** **SAVE CHANGES**

Invoice number: 0
Entry date:
Entered by:
Status:
Store:

Our ref:

Comment:

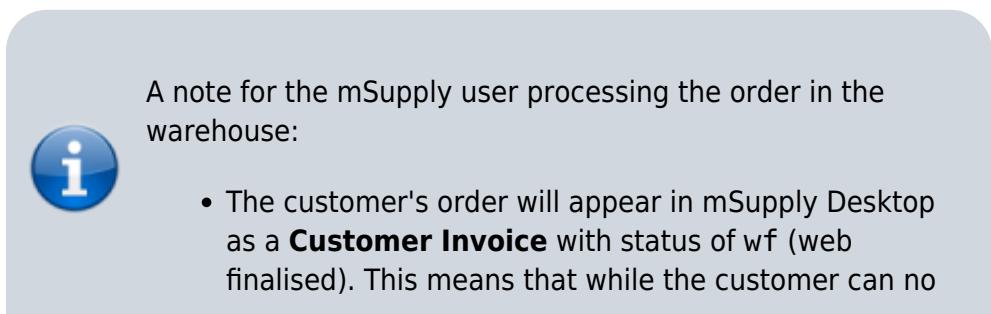

ADD LINE **DELETE LINE** **ADD LINES FROM ORDER LIST** **UPDATE QUANTITY**

ITEM CODE	ITEM NAME	PACK SIZE	UNIT PRICE	PRICE EXTENSION	QUANTITY
030063	Acetylsalicylic Acid 100mg tabs	100	0	0	500

Information can be entered in the fields **Our ref** and **Comment**, but these are optional.

If you wish to continue working on the order later, click the **Save changes** button.

When you have completed the order, click on the **Finalise** button. This will submit the order to the supplying store in mSupply and no further changes will be possible. It will now be visible under the *Show Orders* option **until the supplying store processes it**. It is also visible and available for processing in mSupply at the supplying store.

longer edit the order, the supplying store's desktop user can.

- The customer invoice displays the customer's order with placeholder lines by default. This gives the mSupply Desktop user control to choose the stock for the customer's order. To apply stock to the placeholder lines, refer to [Redistribute placeholder lines](#).
- When stock has been applied to the various lines, the invoice is processed in the normal way (refer [Issuing goods to a customer \(customer invoices\)](#)) to create the picking list and dispatch note as required before the goods are dispatched to the customer.

Using an order list

If you have been assigned an Order List of the items you are allowed to order, this can be used when you are creating an order. Clicking the **Add lines from Order list** button will display the items on the list(s) defined for the customer logged in.

For setting up a default order list, see [Names: Using, adding and editing](#)

The list will be displayed with the items in the same order as was specified when setting up the list in mSupply.

[\(Back up to The navigator\)](#)

Search items

Click **Search Items** to make a search of items available in the supplying store. It will display this screen:

The screenshot shows the 'Search for items' interface. At the top, there is a navigation bar with 'HOME' and 'ITEM DETAILS'. The main area is titled 'Search for items'. Below the title, there are search filters: 'Find items where' with dropdowns for 'Item Name' and 'Starts with', and a 'Search' button. To the right, there is a 'Select Category' dropdown set to 'Any'. At the bottom center is a large orange 'SEARCH' button.

Choose your search options using the selectors and enter something to search for in the textbox (or leave it empty to list all the items). Click on **Search** and the search will be made. When the search is complete the list of items matching your search criteria will be displayed:

← HOME **Search for items** ITEM DETAILS

Show invoices

Select **Show Invoices** to display a list of invoices that have been created in the supplying store for you:

NAME	INVOICE NUMBER	STATUS	ENTERED DATE	COMMENT
Ames Free Medical Clinic	6345	fn	2012-09-14	test
Ames Free Medical Clinic	5906	cn	2012-07-19	test
Ames Free Medical Clinic	397	cn	2009-02-04	Shipped UPS 3-5-09
Ames Free Medical Clinic	372	cn	2008-12-15	Picked up here

Columns

Name

The Name of the customer. If this isn't the customer's name, then there is a problem - contact support@msupply.org.nz

Invoice Number

The Invoice Number as recorded in the supplying store

Status

The Status indicates at what stage each invoice is in processing:

- sg (suggested): The supplier has started to process it, but is not finished.
- cn (confirmed): The supplier has completed processing the order but has likely not yet dispatched it.
- fn (finalized): The supplier has likely dispatched the order and the stock should be on its way to you.

Depending on the configuration of mSupply, it is possible to dispatch an order without actually finalizing it. So you may find yourself receiving an order that hasn't actually been finalized.

Entered Date

Date that the invoice was first entered in the supplying store.

Comment added by the supplying store

Find invoices

To find a particular invoice:

1. Click on the **FIND** button at the top right
2. Fill in the details in the search options provided
3. Click on the **SEARCH** button

The screenshot shows a web-based application for managing invoices. At the top, there is a navigation bar with 'HOME' and 'Invoices' buttons, and 'FIND' and 'VIEW' buttons on the right. Below the navigation is a table listing invoices with columns: NAME, INVOICE NUMBER, STATUS, ENTERED DATE, and COMMENT. The table contains five rows, each representing an invoice from 'Ames Free Medical Clinic'. The third row is highlighted with a brown background. A search dialog box is overlaid on the table. The dialog has a title 'Search for invoices' and contains a search query: 'Search for invoices where the Invoice Number Equals'. The search bar is empty. At the bottom of the dialog are 'CANCEL' and 'SEARCH' buttons. The background table rows have thin gray borders, while the highlighted row has a thicker brown border.
