

21.16. Show connected users

Note: Not applicable when running mSupply in single user mode

To display a list of users currently logged on to mSupply, select *Special > Show connected users* (**Ctrl + Shift + U**). The window below is displayed.

Messaging other users

By highlighting one or more users (use control on Windows/ command on Mac to highlight multiple users), a message typed into the *Message* box will immediately appear on the selected user(s) mSupply window when you click on the **Send** button.

Such messages are not stored on the system.
