### Authorisation

The Authorisation button is provided largely for our support team to assist with resolving any issues.

You can safely ignore it.

## Updating mSupply

For single user versions of mSupply, you can see if you have the latest version by choosing **Special > Check for updates**

Choosing this item from the *Special* menu will connect to the mSupply web site and compare your current mSupply version with the version you are now using.

If an update is available, you will be shown a window where you can click to download the latest version.
