

23.02. The mSupply Support portal

We all like it when things run smoothly but every so often things go wrong. The mSupply Support Portal is where you go to get technical support for mSupply.

Log a one-off Support Ticket

To log a support ticket with our support team, go to <https://support.msupply.org.nz/> and enter the details of the issue and click the “send message” button.

The screenshot shows the 'Contact Us' form on the mSupply Support Portal. The form includes a 'contact us' button and a 'sign in' button. The 'Contact Us:' section has a text input for 'What email address should we reply to?' with the value 'someone@somewhere.org'. The 'Subject:' field contains 'Solomon Islands - trouble logging in to mSupply'. The 'Message:' field contains 'Hi I am getting an error message when I try to log in. Can you please assist'. The 'Attachments:' section shows a 'Choose Files' button and a file named 'Mob2_001.jpg'. Below the attachments is a CAPTCHA section with the text 'Please type the characters from the image below:' and a text input containing 'H8MQ'. The CAPTCHA image shows the characters 'H8MQ'. At the bottom, there is a 'Logged IP: 178.18.83.140' and two buttons: 'Send Message' and 'Discard'. The footer indicates 'powered by Cerb' with a logo.
