

</HTML>

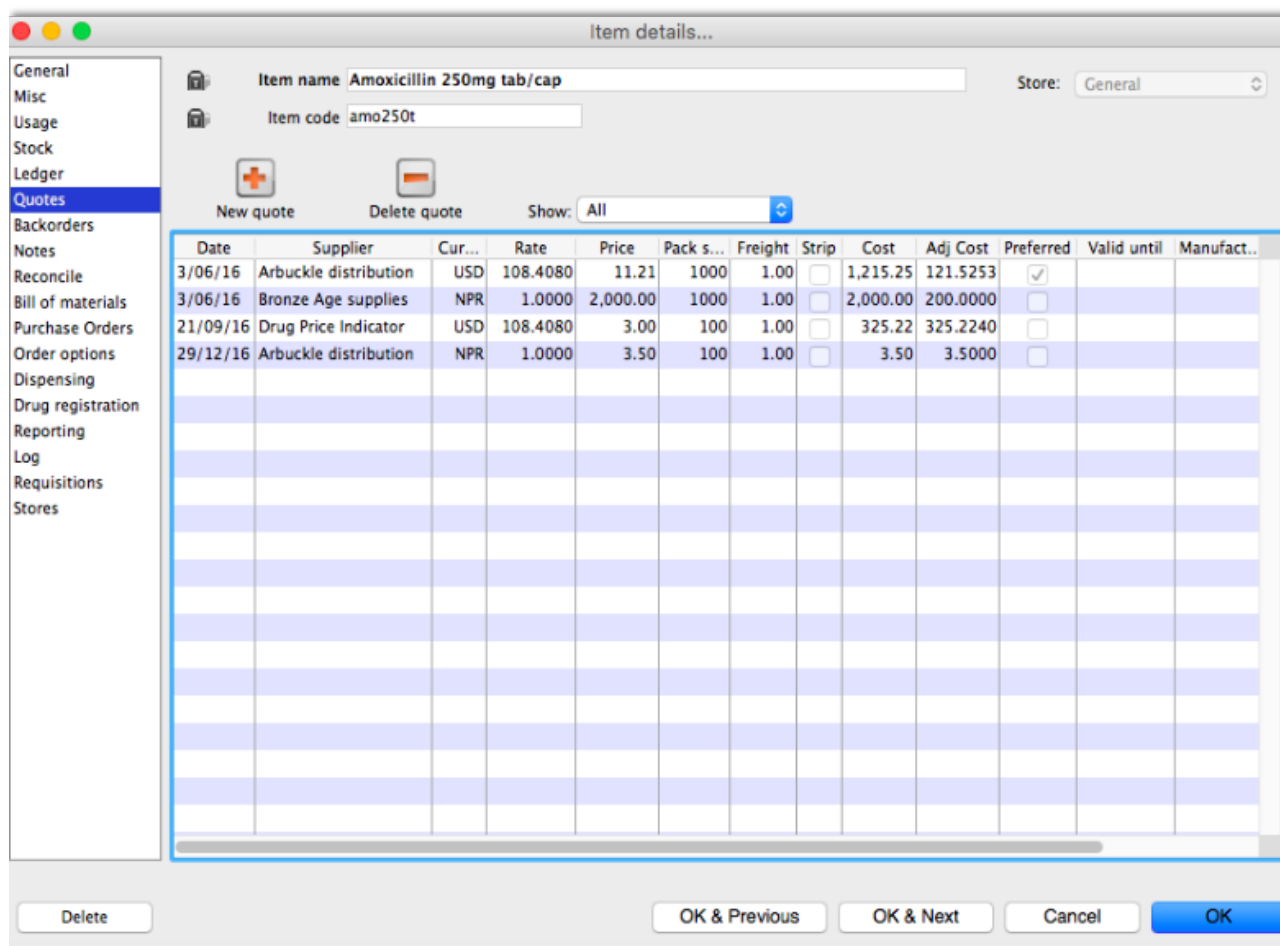

<b>Supplier</b>	<b>Gold Medical Supplies</b>
Currency	Sterling [GBP]
Price	20.00
Pack size	1000

<HTML>

</HTML>

Click **OK** when you are done.

Now we can see the list of quotes, which should look like this:

Notice how the adjusted price takes into account differences in pack size and currency, so you can easily compare suppliers.

Thanks for working through the tutorial. We hope you learnt something useful, and now feel confident to start using mSupply!
